ANWB KAMPEREN

Less work and more reservations via anwbcamping.nl

Register your campsite to become bookable

With no less than 95% of Dutch campers knowing how to locate anwbcamping.nl, it can justifiably be seen as the biggest campsite information and booking platform for Dutch campers. That's why it is good to ensure that your campsite is firm bookable, and to opt for linking up anwbcamping.nl to your reservation system.

Hassle-free reservations

The connection ensures that visitors to anwbcamping.nl - your future guests - will be able to see immediately whether you have a spot available, and can then make a reservation. The reservations via our platform are processed immediately in your own reservation system, which means you do not have to check or confirm anything. And, it is also good to know that you have complete control over the bookings!

Do you want to know more or do you want to become bookable immediately?
